

Topic: I want to work on the variations of criminality in London

Questions:

- What are the different crimes occurring and which crime is the most prominent?
- When are the most criminality occurring in London and the location?
- How do holidays affect the crime rate in London?
- Is the location in which the crimes occur have enough police presence?

Datasets:

- <https://www.kaggle.com/jboysen/london-crime>
- <https://www.kaggle.com/sohier/london-police-records>

Analysis:

- I will check the type of crime against the City of London and the holiday period.
- Are the crimes occurring in residential areas or the business parts of the city, do they have enough police presence regarding the security of the areas?
